Your Program

Privatized room (1.5 to 2.5 hours), up to 60 participants. The menu:

In VR center of SecondWorld (Lausanne/ Geneva/ Coppet / Fribourg), high end equipment and top notch computers open the door to a different dimension. Game Masters are at hand to explain and support, as well as update the scoreboard.

Games, exploration, competition, social interaction, all is possible and limitless !

1

Briefing

Game Masters explain principles and controls.

2

VR Multiplayer Game

Medieval Archery. Defend the village! Competitive scoring.

3

VR Cinema

Jurassic Park for real, travel in a space shuttle, go underwater etc.

4

VR Collaboration

Help each other to defuse a bomb in Virtual Reality, with some clear time pressure. Competitive scoring.

5

Spy Escape

Your teammate is trapped in a maze full of guards and safety systems. You have hacked the security system and will get him out of there !

6

VR Pictionary

Same as classic one but the person is drawing in VR. Competitive scoring

40 to 200 persons
